Plaintiff, US Right to Know ("Plaintiff" or "USRTK") and Defendant, the United States Defense Intelligence Agency, submit this stipulation pursuant to Local Civil Rule 6-2 to continue the initial case management conference and associated deadlines from November 30, 2023 to January 4, 2024 at 10:00 a.m.

STIPULATION

WHEREAS, Plaintiff, US Right to Know filed a Freedom of Information Act ("FOIA") complaint on June 14, 2023. ECF No. 1.

WHEREAS, the Defendant, United States Defense Intelligence Agency ("DIA" or "the Agency"), provided a final response to Plaintiff's FOIA request on August 22, 2023 and an amended final response on August 23, 2023. On August 23, 2023, the Agency filed a response to the Complaint and a corrected answer on August 24, 2023. ECF Nos. 20, 21.

WHEREAS, the parties are working together cooperatively in this case. On August 23, 2023, Defendant provided Plaintiff with an amended response to Plaintiff's FOIA request which included one agency record responsive to the Request, and one agency record on which exemptions have been applied. On August 31, 2023, the Court entered a Stipulation and Order extending the initial case management conference and all associated deadlines from September 14, 2023 to October 26, 2023. ECF No. 25. On October 20, 2023, the Court entered a Stipulation and Order extending the initial case management conference and all associated deadlines from October 26, 2023 to November 30, 2023 to allow the parties additional time to resolve the merits of this action without judicial intervention. ECF No. 27.

WHEREAS, on or about November 2, 2023, the parties reached an agreement as to the merits of Plaintiff's FOIA request and agreed that the substantive issues related to the merits were resolved. As such, the issue of attorneys' fees is the sole remaining issue. Although Defendant does not concede that Plaintiff is either eligible or entitled to attorneys' fees in this matter; the parties would benefit from additional time to attempt to resolve this issue without the need for judicial intervention.

WHEREAS, the requested continuance is not expected to have any adverse impact on the schedule for the case and serves the judicial economy by allowing the parties additional time to attempt to resolve this matter without the need for further judicial intervention, hereby STIPULATED by and between the
